Document placeholder 7 / Document de exemplu 7

TODO(content): replace this file with the real research document.
TODO(content): de înlocuit acest document cu documentul real.

This file is generated by scripts/make-placeholder-assets.mjs. It contains no research and carries no claims. It only exists so that links and file-size labels can be built and tested before the real PDFs are supplied.

Filler line 1 - placeholder text, no meaning / text de umplere, fara sens.
Filler line 2 - placeholder text, no meaning / text de umplere, fara sens.
